TIME

A photograph of a modern outdoor terrace. In the foreground, there are large, rectangular stone tiles with a light beige and cream color palette, featuring natural veining. Two wooden lounge chairs with light-colored cushions and pillows are positioned on the terrace. A white towel is draped over one of the chairs. To the left, a large glass door or window reflects the outdoor scene. In the background, a blue body of water and a rocky coastline are visible under a clear sky. A small black control panel with a red light is mounted on a wall near the glass door.

WINTER

The image shows a minimalist architectural space. In the foreground, there are several wide, low-profile steps made of a light-colored, textured stone. The floor is composed of large, rectangular tiles of the same material. In the background, a series of vertical wooden slats of varying heights are spaced evenly, creating a screen that filters light. Behind the slats, a dense green hedge is visible. The overall aesthetic is clean, modern, and natural.
